The purpose of this agreement is to establish a relationship between Bluegrass Community and Technical College, Kentucky and Kisumu Polytechnic, Kenya. The goal is to promote cultural and educational exchange between the two institutions. The agreement will take effect upon the signing of this document by both parties.

Responsibilities of Bluegrass Community and Technical College
1) BCTC faculty will volunteer instruction, guest lectures, and workshops at Kisumu Polytechnic during the summer or other mutually agreeable times.
2) BCTC will explore ways of teaching college credit courses at Kisumu Polytechnic transferable to BCTC’s technical programs.
3) BCTC will explore student exchange opportunities between the two institutions.
4) Teaching materials will be supplied by the incoming BCTC faculty and will conform to the expectations of the host institution.
5) BCTC will explore faculty exchange opportunities in technical programs.

Responsibilities of Kisumu Polytechnic
1) KP personnel will be responsible for scheduling educational and cultural enrichment opportunities for incoming BCTC faculty.
2) KP will provide general curriculum orientation for visiting BCTC faculty.
3) KP will provide a tour of the KP complex and Kisumu city.
4) KP personnel will prepare their students to showcase their culture through music, dance, art, or recitations.
5) KP will plan faculty exchange activities in liaison with office of International Relations and Interlink at Maseno University.
