Exchange Agreement between Mombasa Polytechnic and Bluegrass Community and Technical College

The purpose of this agreement is to establish a relationship between Bluegrass Community and Technical College, Kentucky and Mombasa Polytechnic, Kenya. The goal is to promote cultural and educational exchange between the two institutions. The agreement will take effect upon the signing of this document by both parties.

Responsibilities of Bluegrass Community and Technical College
1) BCTC faculty will volunteer instruction, guest lectures, and workshops at Mombasa Polytechnic during the summer or other mutually agreeable times.
2) BCTC will explore ways of teaching college credit courses at Mombasa Polytechnic transferable to BCTC’s technical programs.
3) BCTC will explore student exchange opportunities between the two institutions.
4) Teaching materials will be supplied by the incoming BCTC faculty and will conform to the expectations of the host institution.
5) BCTC will explore faculty exchange opportunities in technical programs.

Responsibilities of Mombasa Polytechnic
1) MP personnel will be responsible for scheduling educational and cultural enrichment opportunities for incoming BCTC faculty.
2) MP will provide general curriculum orientation for visiting BCTC faculty.
3) MP will provide a tour of the MP complex and Mombasa city.
4) MP personnel will prepare their students to showcase their culture through music, dance, art, or recitations.
5) MP will provide meals and accommodation for the visiting BCTC faculty.
